

Feats of Heroism

"I lay down my lance and embark upon this quest. I will test myself against foes ancient and ferocious, legends that have never graced these shores. If I come through these trials with my life, I hope only that I do not disappoint the Lady."

- Slay the biggest, scariest, scaliest monsters in the jungle! Prepare for your hunt with **Minor events** and follow the tracks to your prey with **Major events**. Spend more **Goal points** to find rarer monsters.
- You'll also have the opportunity to rescue any leaders who managed to get themselves kidnapped!

Narrative battles

- **Rescue mission:** What is more courageous and daring than freeing those who have been unjustly imprisoned? Try to free another player's leader from captivity.
- **Monster hunt:** Your scouts report finding tracks that belong to the great beasts of Lustria. Follow the tracks, find what you find, and kill it—if you can.

Major events

- **Free the prisoner!:** If any player's leader has been kidnapped, you may attempt a **Rescue mission**.
- **Search for big game:** Trigger the **Monster hunt**.
 - By default, you have a 3/6 chance of finding common monsters, 2/6 chance of finding rare monsters, and a 1/6 chance of finding an ultra-rare monster
 - If you pay one **Goal Point** extra, you can choose between common or rare monsters.
 - If you pay two **Goal Points** extra, you can hunt an ultra-rare monster.
 - If you pay three **Goal Points** extra, you can hunt all of them at once.

Minor events

- **Concoct hunting poisons:** Brew a deadly potion for your next hunt. Poisons make it easier to slay monsters.
- **Learn monster calls:** Practice the art of replicating monster calls. Calls attract monsters.
- **Craft traps:** Nets, claws, ropes, and hooks are all examples. Traps damage and slow monsters.
